OBJECTIVES OF THE PROGRAMME:

The students will be able to learn,

- ❖ Installation and the uses of DISHA App
- ❖ To spread awareness on DISHA application, that has been launched by the government for women safety.
- ❖ To provide better security and protection to citizens.
- ❖ To make the students use the app in critical situations.

REPORT OF THE PROGRAMME:

A programme on the installation and usage of government sponsored DISHA App, which is meant for safety and security was conducted on 02.07.2022 in room no: 07. The programme was organized by Women Empowerment Cell in association with Mahila police and Ward Sachivalayam. The programme started at 12.00 P.M in Room No 07. The Principal Dr Rajasekhar and WEC Coordinator in their address explained to the women students that the govt. has developed a free app for the safety and security of the citizens and its importance. Then Mehrin Taj, Mahila Police demonstrated to the students about the installation process and how to use it step by step clearly. She even asked the students to a sample presentation by the students on the usage of the DISHA App. The Mahila police also talked about the atrocities that are happening on women in the society now a days and created awareness on using DISHA application and its importance. The programme

concluded after ensuring that all women and students in the college have installed Disha App that can help in case of emergencies.

OUT COMES OF THE PROGRAMME:

- Students got to know that DISHA is a mobile app
- That the App is designed for women safety and security.
- They learnt about the various features of the app, including the ability to find safe and nearby places to stay, access emergency services, and report any crime or harassment.
