OBJECTIVES

Students will enhance their skills and their knowledge on

- To grow healthy readership habits to all levels.
- To disseminate knowledge on all subjects and topics.
- To offer free educational resources to everyone.
- TO borrow and return the books, and consult reference books.
- To enhance subject Access and promoting Information Literacy.

REPORT

Title: Field Trip to Public Library, Punganur

Date: 29.11.2023

Time: 09.45 AM

Students Participated: 15

A field trip to local public library was organized by Smt. Nirmala. A., Lecturer in Library Science along with Smt. Sranvanthy, Lecturer in Hindi on 29-11-2023 with 15 students from all groups. The programme started at the college at 9.45 A.M and reached the Library by auto which is located in the Nanabala Street of Punganur. Soon after the reaching of the library, we met Salim, the Librarian who explained the students about the library and various books available in the library.

He then took the students and showed them all the racks and rooms and explained the students how the library works. He also gave deep insights of borrowing, returning, memberships, competitive books and magazines, Mythological books, fictions, biographies etc., to the students in a clear cut way.

He then explained the career opportunity in the field of Library Science. Then the students spend reading books, observing the Library and got their doubts clarified from the library under the guidance of Nirmala A. and S. Sravanthy. The Librarian appreciated the curious nature and discipline of the students. Thus the students spend up to 12.00 P.M in the library and returned to college by 12.30 P.M with a lot of satisfaction and happiness.

OUTCOMES

- By visiting the library and giving students the opportunity to take out books you encourage a reading culture in students.
- Libraries broaden the student's knowledge and understanding of the world.
- It provides them with a multi-cultural experience.
- Students found the importance of libraries for their better career
